

Child Safety & Mandated Reporter Policy

Stem for You LLC, doing business as STEM4U ("STEM4U," "we," "us," "our")
21690 Red Rum Dr #182, Ashburn, VA 20147

STEM4U is committed to the safety and well-being of every child in our programs. This policy summarizes the practices we follow.

Staff screening

STEM4U instructors and staff are screened before working with children, including background checks as required by law and by STEM4U policy. Volunteers and any minors who assist are supervised by screened adult staff.

Supervision & conduct

Children are supervised by staff during programs. We avoid one-adult-alone-with-one-child situations where practical and keep activities observable. Staff follow a code of conduct governing appropriate, professional interactions with children.

Mandated reporting

STEM4U staff act in the best interest of children. If a staff member has reason to suspect that a child has been abused or neglected, they will report it to the appropriate Virginia authorities as required by law (the Virginia Department of Social Services / local Child Protective Services) and will cooperate with any resulting investigation.

Health & allergies

We ask families to keep the Emergency Medical Authorization current so staff can respond appropriately to allergies, conditions, and emergencies.

Reporting a concern

If you have a safety concern, please contact us at contact@stem4u.com or speak with a STEM4U instructor directly. We take every concern seriously.
