Consent to Capture and Use Images

Stem for You LLC, doing business as STEM4U ("STEM4U," "we," "us," "our")
21690 Red Rum Dr #182, Ashburn, VA 20147

STEM4U sometimes takes photographs, video, and audio recordings during classes, camps, competitions, events, and everyday activities. We use them to celebrate our students' work and to show families and the community what STEM4U is about. This form asks for your permission, as the parent or legal guardian, and lets you choose how your child's images may be used. Your choice does not affect your child's enrollment or participation in any way.

What we capture

Photographs, video and audio recordings, and images of student-built projects, in which my child may appear, be recorded, or be identified by first name.

How we may use it

If you grant permission below, STEM4U may use this media to promote and document its programs, including on: our website and blog; social media (for example Facebook, Instagram, YouTube, LinkedIn); printed and digital marketing (flyers, brochures, presentations, ads); email newsletters and family updates; competition, grant, and sponsorship materials; and internal training and program improvement.

What we will not do

- We will not sell your child's image or license it to unrelated third parties for their own advertising.
- We will not publish your child's last name, school, home address, or contact information alongside their image.
- We will not knowingly caption an image in a way that identifies a child's full name without separate written permission.
- We aim to use images respectfully and in keeping with STEM4U's mission; we will remove a specific image from our own channels on written request (see "Withdrawing Permission").

Grant of permission (to the extent permitted by law)

If I grant permission below, I authorize STEM4U and those it works with (such as its designers, printers, and platform providers) to record, copy, edit, publish, and display the media described above for the purposes stated. I understand these uses are without compensation, and I waive any right to inspect or approve the finished materials. I release STEM4U and its owners, employees, instructors, volunteers, and agents from claims arising out of the permitted use of the media, except for uses prohibited by law. Nothing here waives any right that cannot be waived under the laws of the Commonwealth of Virginia.

Withdrawing permission

You may change your choice at any time by writing to contact@stem4u.com. Going forward, we will stop using your child's image in new materials and will remove it from channels we control (such as our website and social media) within a reasonable time. We may be unable to recall materials already printed, distributed, or shared publicly before your request, or copies already downloaded by others.

Please choose one (required)

- ☐ YES — I grant permission for STEM4U to capture and use my child's image as described above.
- ☐ LIMITED — I grant permission ONLY for internal use (such as class recaps shared privately with our own families and internal program review). Do NOT use my child's image in public marketing or on social media.
- ☐ NO — I do NOT grant permission. Please do not use my child's image in any STEM4U materials. (Your child is still fully welcome in all programs.)

We will do our best to honor a "Limited" or "No" choice. Because group activities and competitions are photographed, please also let staff and coaches know so we can take reasonable care to keep your child out of published shots.
