

FLL BIOGLOW · Research & Ideas Sheet

Innovation Project — fill this in with your team. Every idea counts. Pencil is perfect.

TEAM NAME

NAMES ON THIS SHEET

DATE

■ The problem we care about

In nature or our community — what problem do we want to help solve this season? (Think forests, plants, animals, habitats, light & living things.)

■ Who does it affect? Why does it matter?

■ What we found out (our research)

Three things we learned — and where we learned them (a book, website, or an expert we asked).

Source / expert we asked: _____

■ Our big idea (the solution)

Describe your idea — then draw it!

Sketch our idea here

■ How it works

■ What we'll build to test it

■ How we'll share it

■ Questions we still have
